SCROLL

1956

Ohio's outstanding advance in transportation was the opening of the Ohio Turnpike on September 30, 1955. The turnpike combines major architectural and engineering feats with the scenic beauty of Ohio.

As the turnpike has advanced from the planning board to reality, so must we advance from the years of preparation and guidance by our parents and teachers to our own place in society.

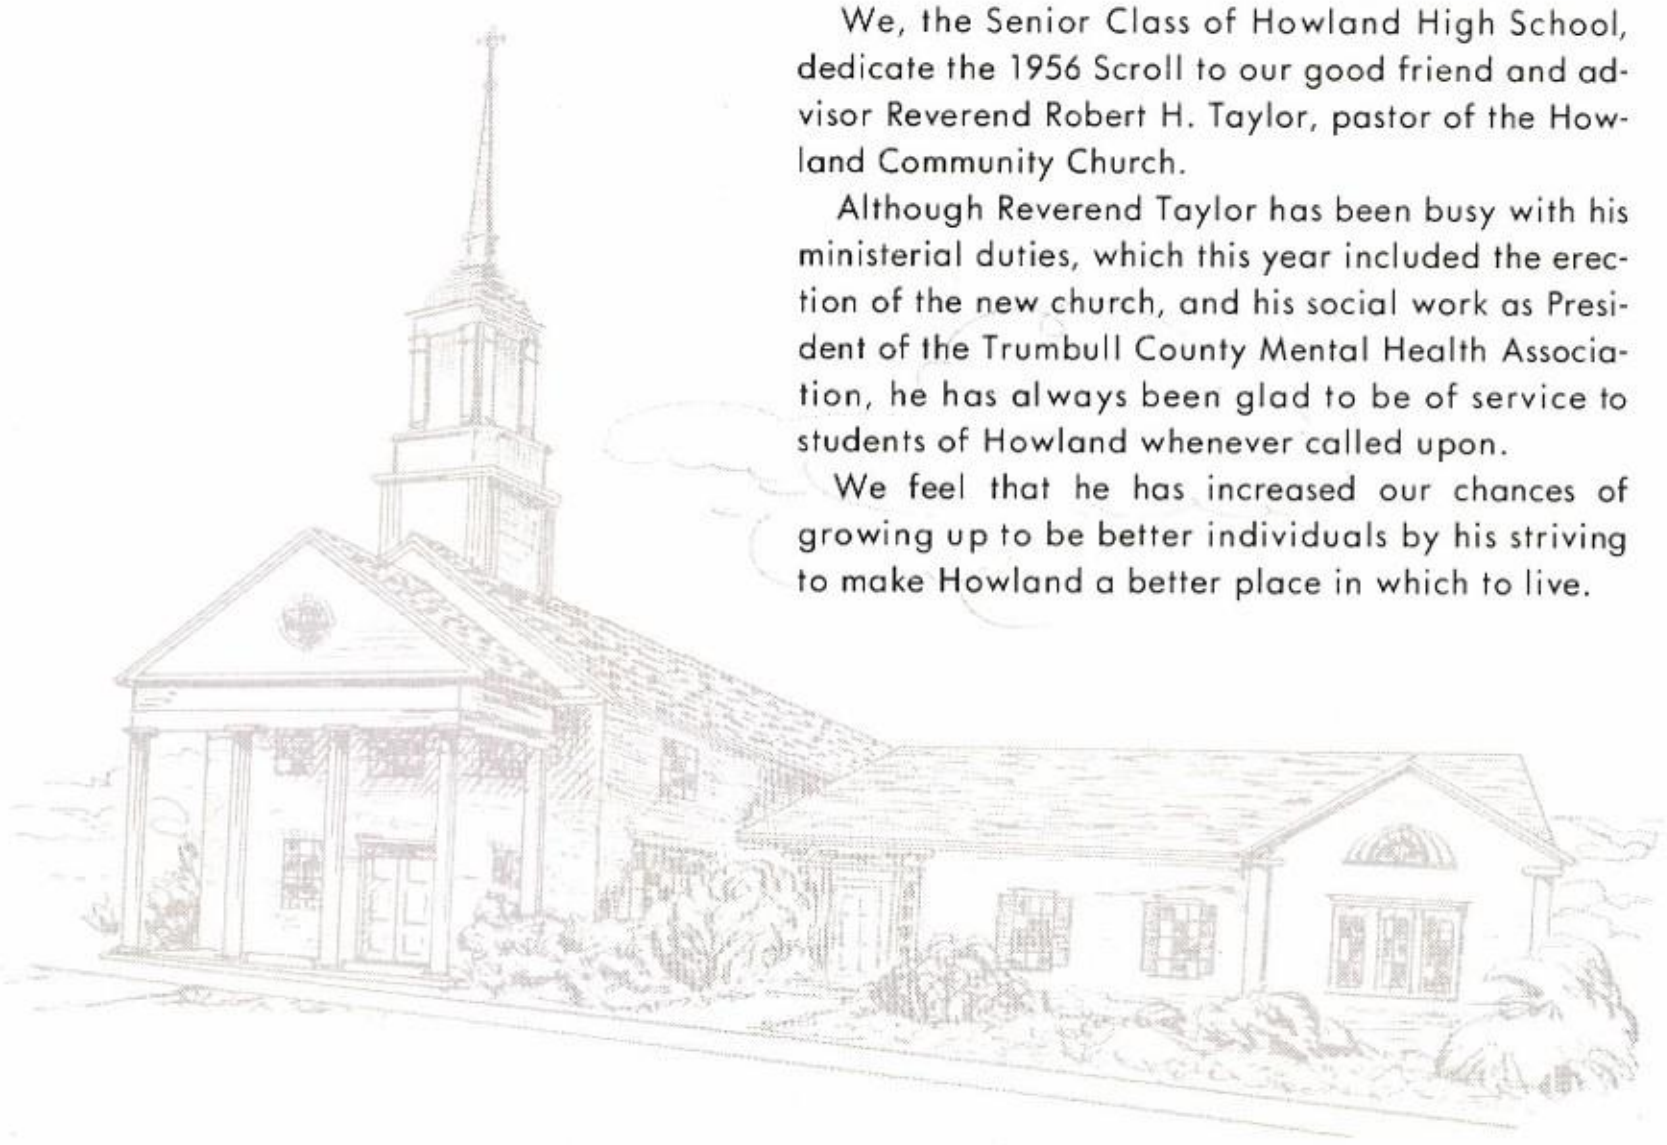
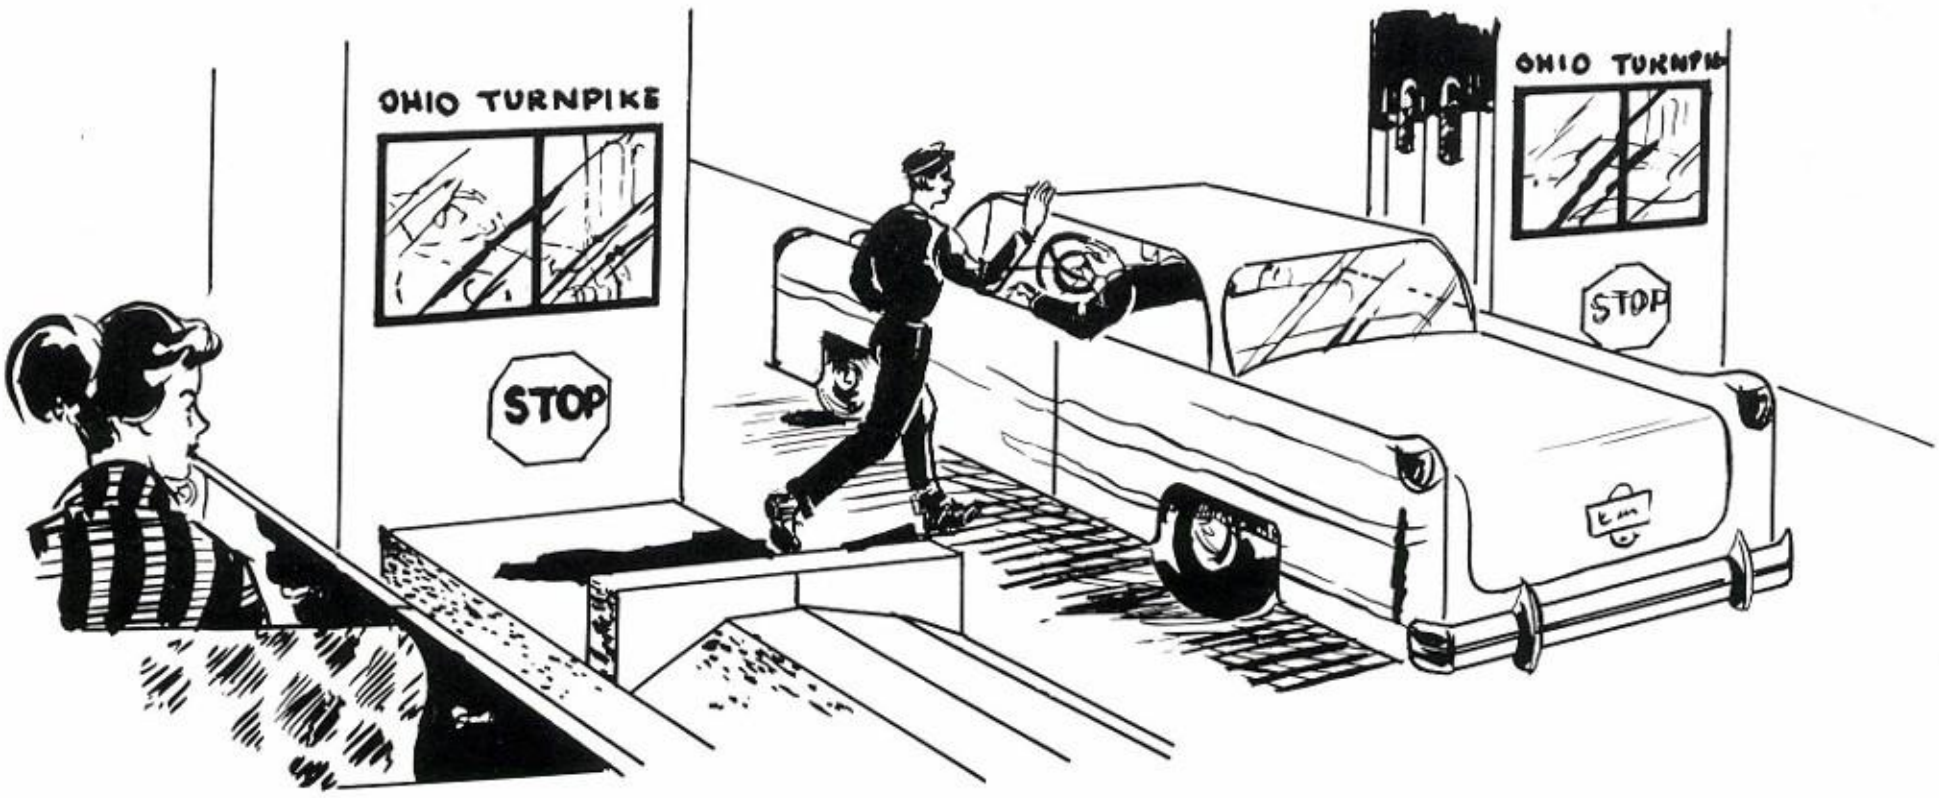
We, the Senior Class of Howland High School, dedicate the 1956 Scroll to our good friend and advisor Reverend Robert H. Taylor, pastor of the Howland Community Church.

Although Reverend Taylor has been busy with his ministerial duties, which this year included the erection of the new church, and his social work as President of the Trumbull County Mental Health Association, he has always been glad to be of service to students of Howland whenever called upon.

We feel that he has increased our chances of growing up to be better individuals by his striving to make Howland a better place in which to live.





TEACHERS, ADMINISTRATION AND SCHOOL BOARD

BOARD OF EDUCATION

Direct responsibility for fulfilling the policies of the Howland School education system is placed in the capable hands of our school board. Here are citizens, all with many other responsibilities, working together with a purpose and always with apparent results. Their admiration is shared by all who have walked the halls of Howland High.

BOARD OF EDUCATION—Mr. Melvin Seeloff; Mr. G. Fred Shafer, president; Mr. H. C. Mines, vice president; Mrs. Claire Humason, clerk-treasurer; Mr. John Brady; Mr. A. O. Lemasters, superintendent. Absent—Mr. Clifford Berry.

The Howland School Administration is always hard at work to provide students of the community with a school system of high standards. We feel that thru the effort of the administrators, past and present, our school system has become far superior to any other in the area in the building of better citizens for a better world.

Superintendent A. O. Lemasters has charge of the business connected with running Howland Elementary School, Howland High School, Bolindale Elementary and Morgandale Elementary Schools. Here he is at work in his office in the Howland High School building.

Mr. Kepner, our principal, is always on hand to help pupils make out their schedules or fill out college applications. He works not only with pupils, but also with parents and teachers.

Mrs. Humason is responsible for keeping the books of the school system up-to-date. We interrupted her as she was writing a deposit receipt for the senior class.

The Howland School noon lunch program began ten years ago under the able direction of Mrs. Baker. Thru the years she has watched it grow from one lunchroom in the grade school to bigger and better cafeterias in Morgandale, Bolindale, and Howland's new high school. Never in these years has Mrs. Baker failed to plan a Nutritious, tasty menu. She and her co-workers have always been on hand for any special school functions such as luncheons and banquets. This year marks the end of Mrs. Baker's many years of service. We will miss her smiling face and spotless white uniform in our cafeteria, but we seniors especially will always remember her when we think of our days at Howland for she is as much a part of us as the school itself.

MRS. RALPH BAKER

This year is the second that we have had the privilege of eating in our new cafeteria. We are grateful for the many hours of work that are done before and after the noon hour by our kitchen staff—Vera Swager, Pauline Kamph, Sally Jarvis, Nellie Valsi, Pearl Davis, and Geraldine Gearhart.

JANITORS Scrub and polish—these are the men who keep the halls of Howland neat as a pin. Karl Kopsic, James Westfall, Robert Metzar, Clayton Butler, George McNary, Robert Nichol, John Barnett, Fred Biery, Amber Orr, and Grover Root.

BUS DRIVERS On the shoulders of these men rests the responsibility of getting the students to and from school safe and sound. Kneeling—Carl Jarvis, Michael Cerbus, Gerald Bloom, E. F. Coleman, Albert Ott. Standing—Howard Cleal, (relief driver), Harley Lee, Walter Latimer, Ovid Difford, Carl Lyman. Absent—Thomas Maffitt, Dale Wise. Relief drivers—Robert Bates, Olen Grim.

Lots of work but lots of fun—That's the way the junior class feels about the Prom. The strain of the months of planning seem to melt away as they look upon their finished task. The class chose New York as their theme. The gymnasium was decorated to represent Central Park and the cafeteria was transformed into the Copacabana Club.

THE MUSIC DEPARTMENT

The band, A'Cappella, and Girls' Glee Club received a superior rating at Leavittsburg, Saturday, March 24. This was the first time that all music groups had received a "one" rating. As a result they were eligible to participate in the state contest. This contest was held at Otterbein College near Columbus on April 29. The 179 students and adults; Mrs. Mary Polley, A' Cappella and Girls' Glee Club director; Mr. Robert Alexander, band director; and Mr. Frank Thomas, associate band director arrived by bus and automobile at the college late Saturday morning. After participating in the contests, the groups visited the small town until time to leave for the Deshler-Hilton Hotel in Columbus. The cost of the trip was approximately $1200. The Band Boosters in co-operation with the music departments raised the necessary funds by sponsoring a record hop, car wash, and bake sale. Many contributions were received as well.

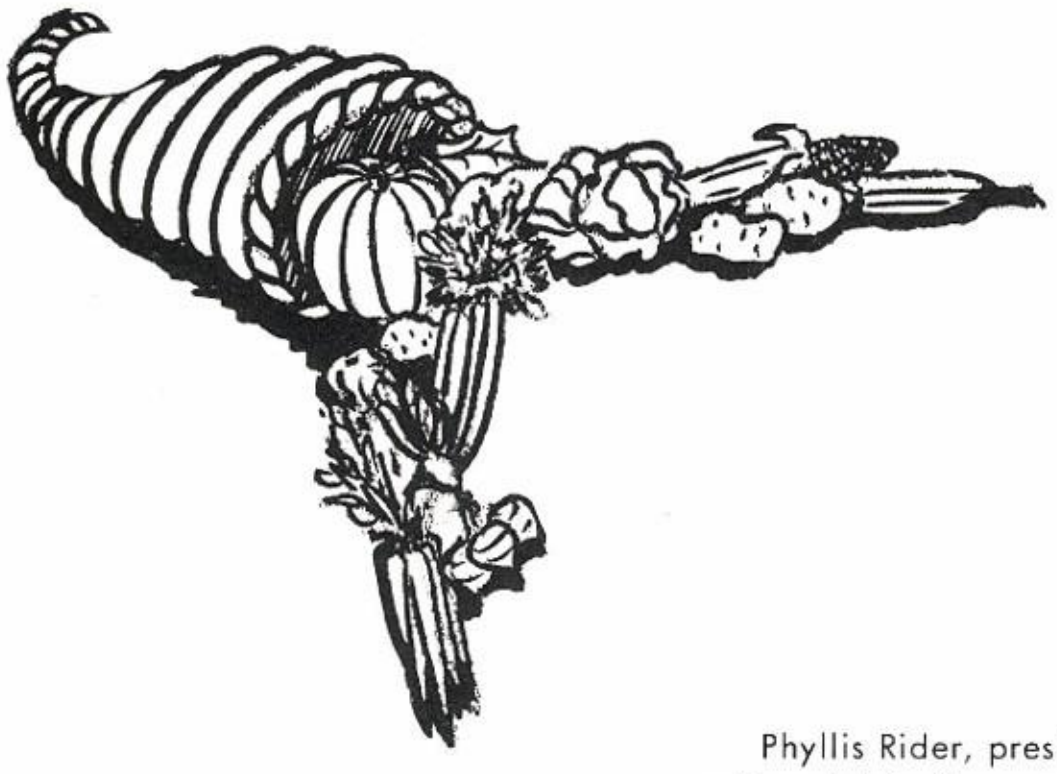
The A'Cappella and band perform in many school programs and assemblies during the year. Pictured on the opposite page are these groups during their participation in the sixth annual Christmas Festival, December 16, 1955.

Robert Alexander, Frank Thomas.

IT'S "TIME OUT FOR GINGER"

A young girl's determination to play football and her father's equally enthusiastic approval of her actions brought boundless laughter to all those who viewed "Time Out for Ginger." Juniors cast in the play were Jim Wilsman as Howard Carol, the father of three girls; Dona Husher as Mrs. Carol; Phyllis Rider as Joan Carol; Dianne Timko as Jeannie Carol; Lucinda Hanna as Ginger Carol; Jane Leifer as Lizzie, the maid; Dean Booher as Tommy Green, Ginger's boyfriend; Bob Hoffman as Eddie Davis; Ronnie Crawford as the banker; and Larry Dirmeyer as the high school principal.

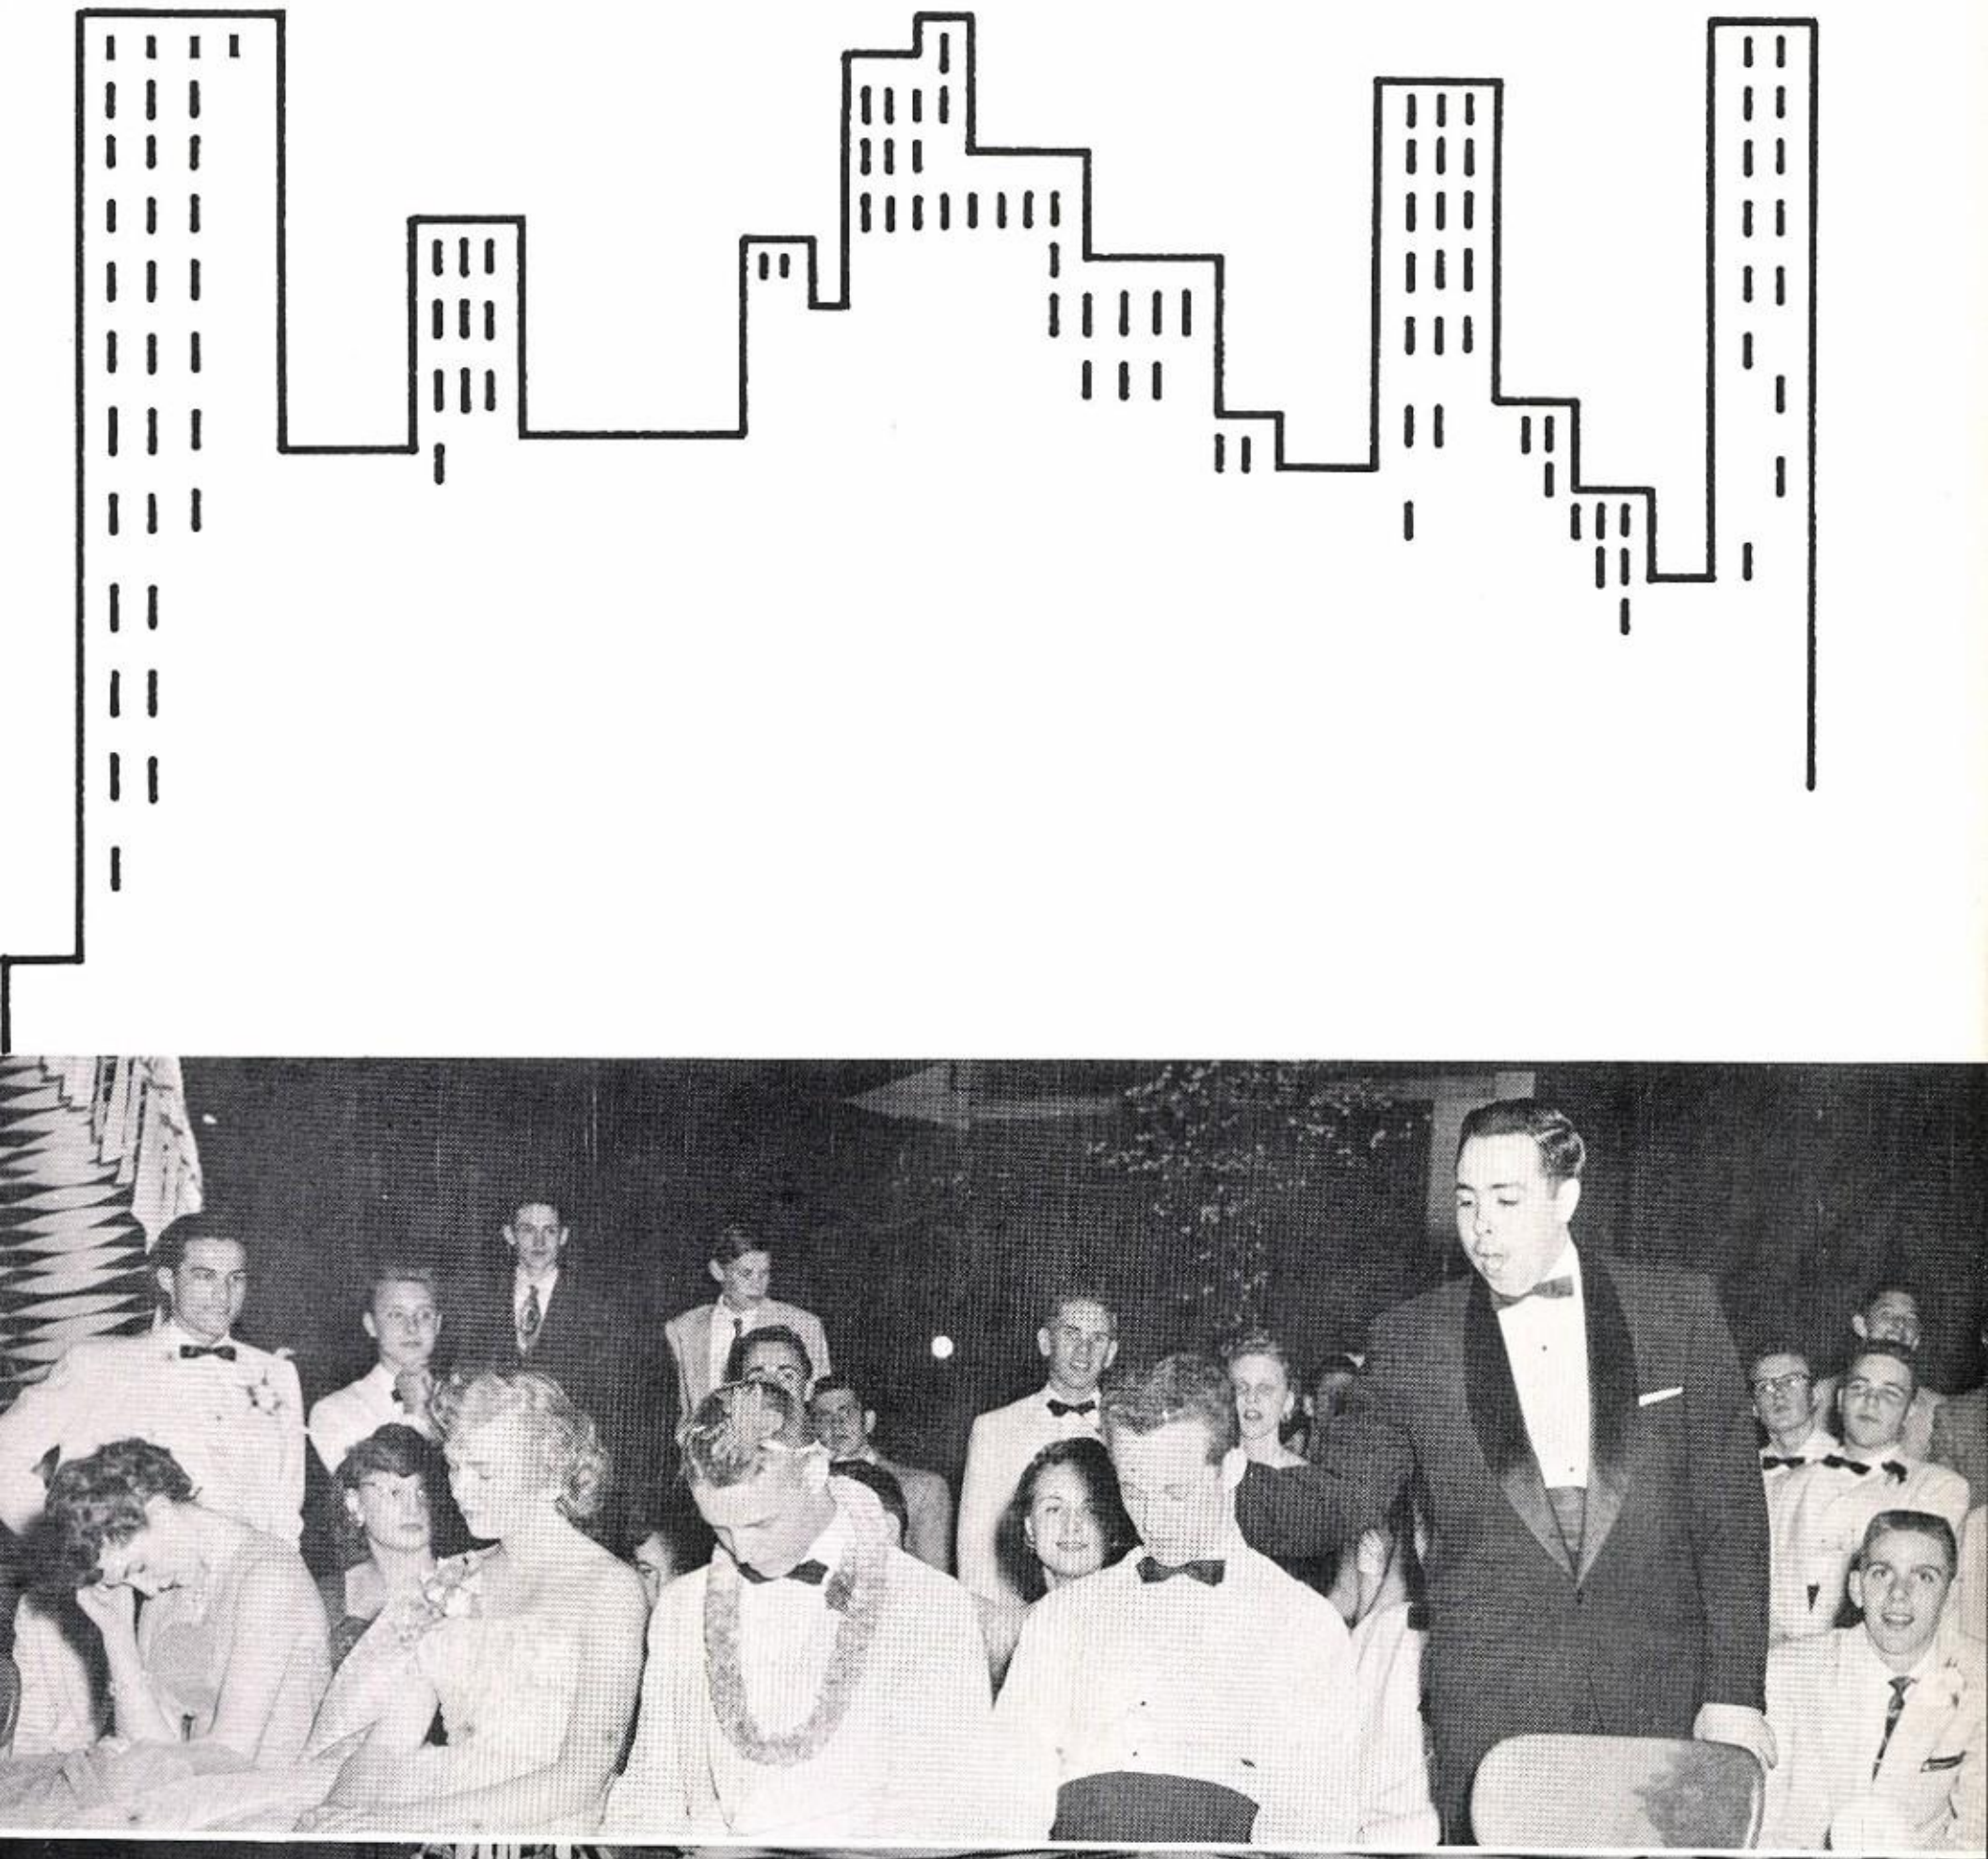
Long live the queen! Friendly smiles are offered by fellow classmates to Arlene Cwynar as she graciously accepts the crown which names her "Queen" of the Sophomore-Junior-Senior Dance. As Joann Strausbaugh places the glowing sphere of tinsel on her head, Bob Hoffman, Marilyn Salak, Marjorie Leighton, Ben Cozadd, Dona Husher and Don Lott watch proudly, thrilled to be a part of this occasion.

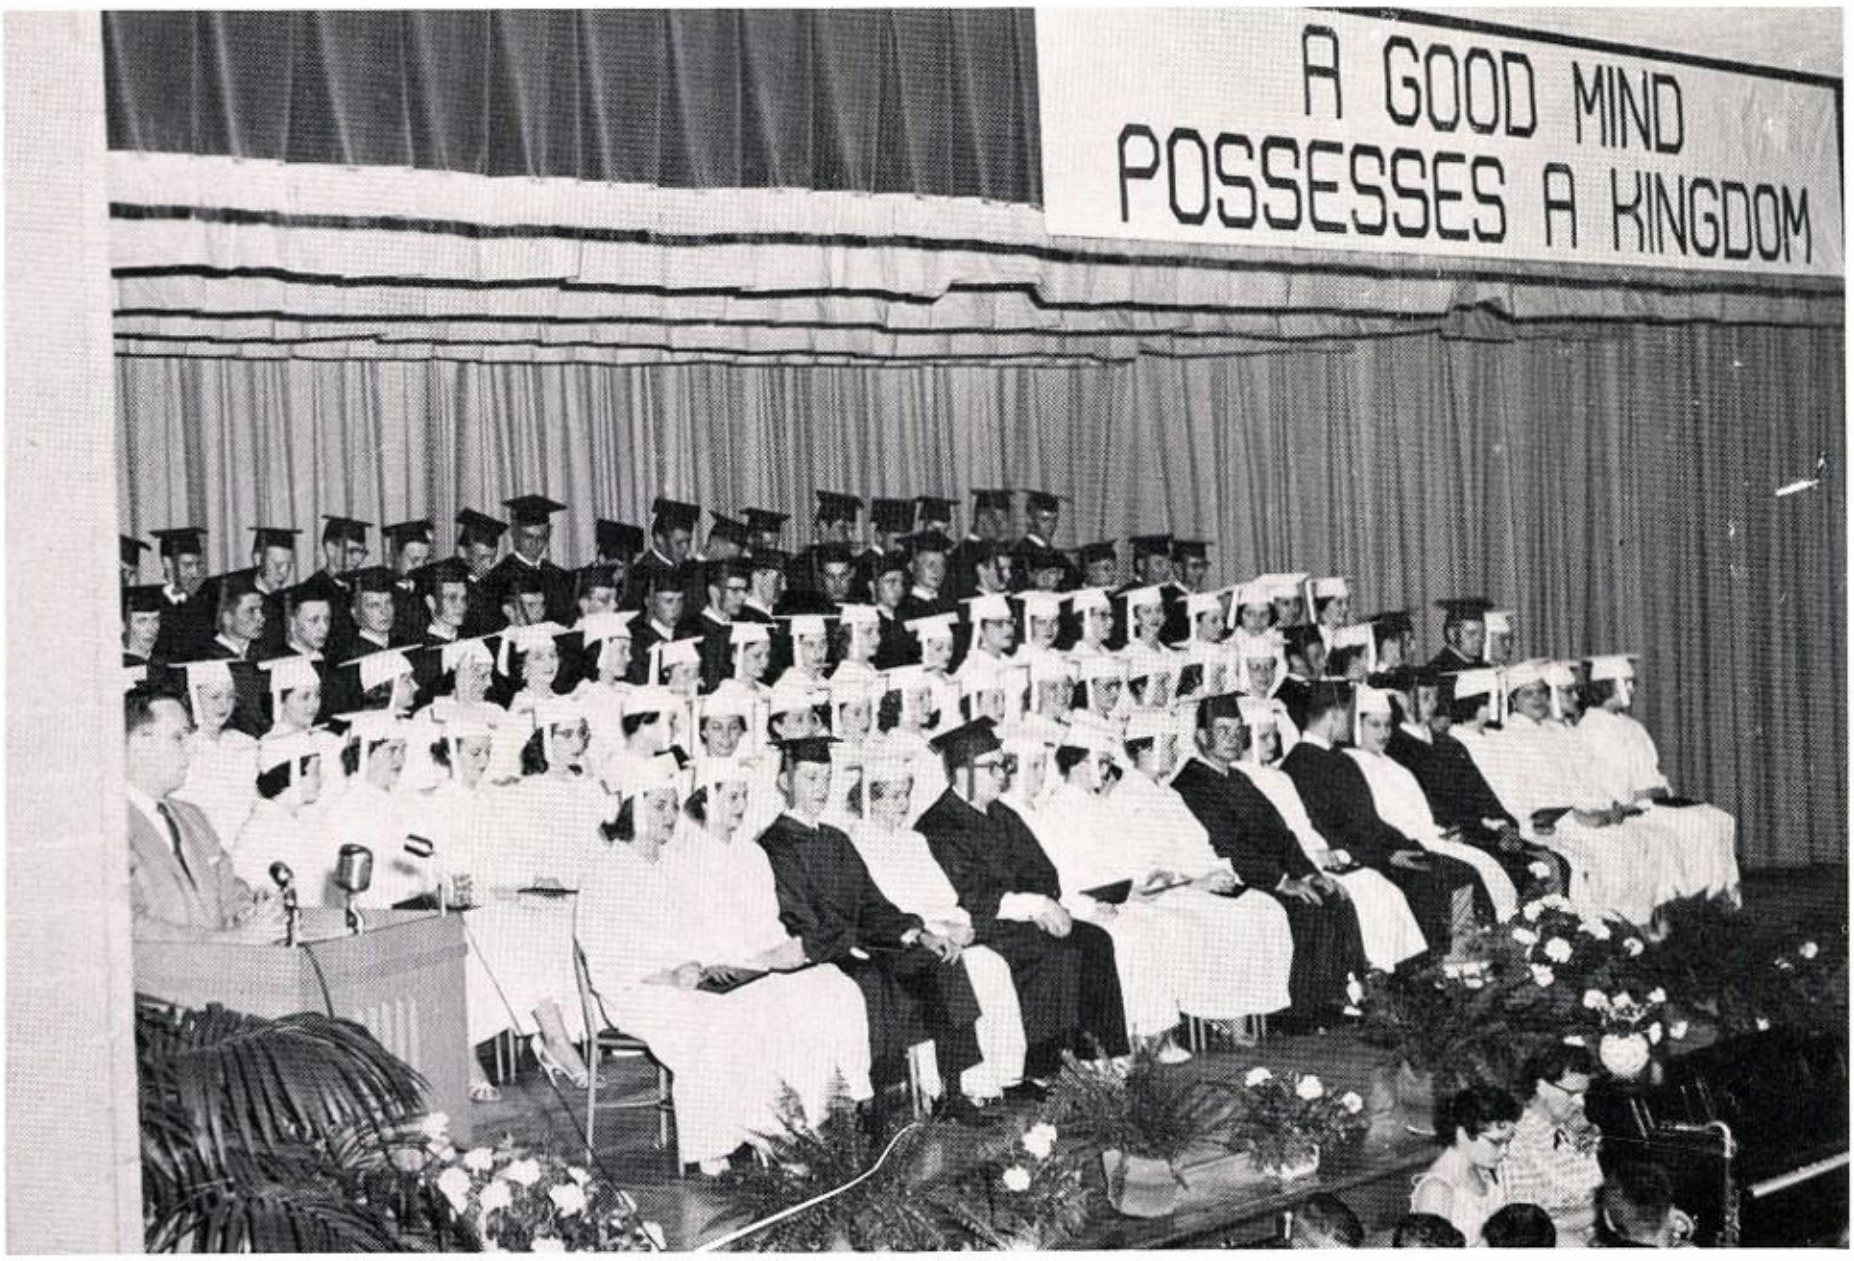


Phyllis Rider, president of the junior class, crowns Bob Schwab and hands him the sword that proclaims him "Knight for the Night" of the Twirp Dance. Looking on are the Knight's attendants, Ronnie Crawford and Kenny Olson. Their escorts were Carol Gulver and Millie Orostin. The Knight was escorted by Mary Corbin.

JUNIOR SENIOR PROM

CONEY
ISLAND





This year we enjoyed the return engagement of Dr. Will Orr, President of Westminister College in New Wilmington, Pennsylvania. Dr. Orr's interesting commencement address was entitled "They That Be With Us."

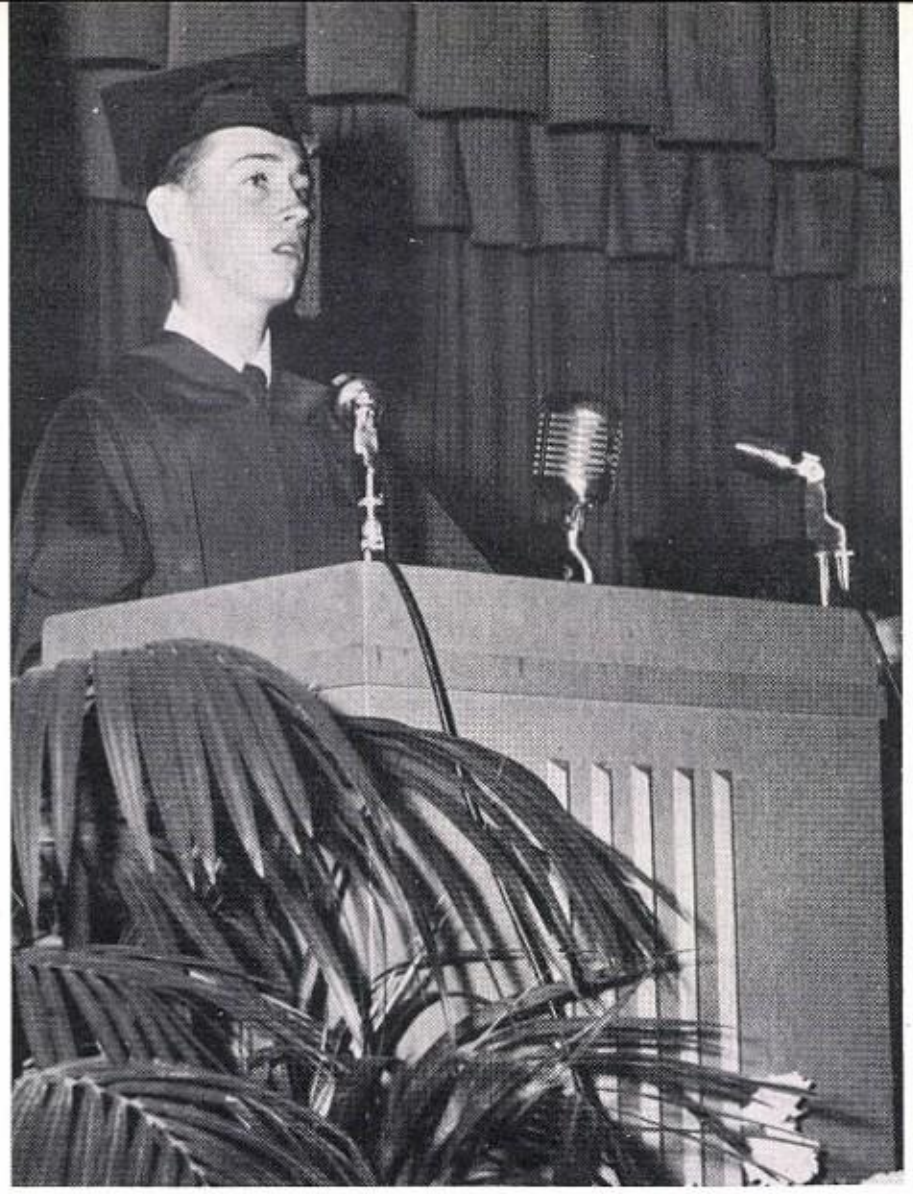
We thoroughly enjoyed Dr. Orr every occasion that he has spoken to us and hope that he will return many more times.

COMMENCEMENT 1956

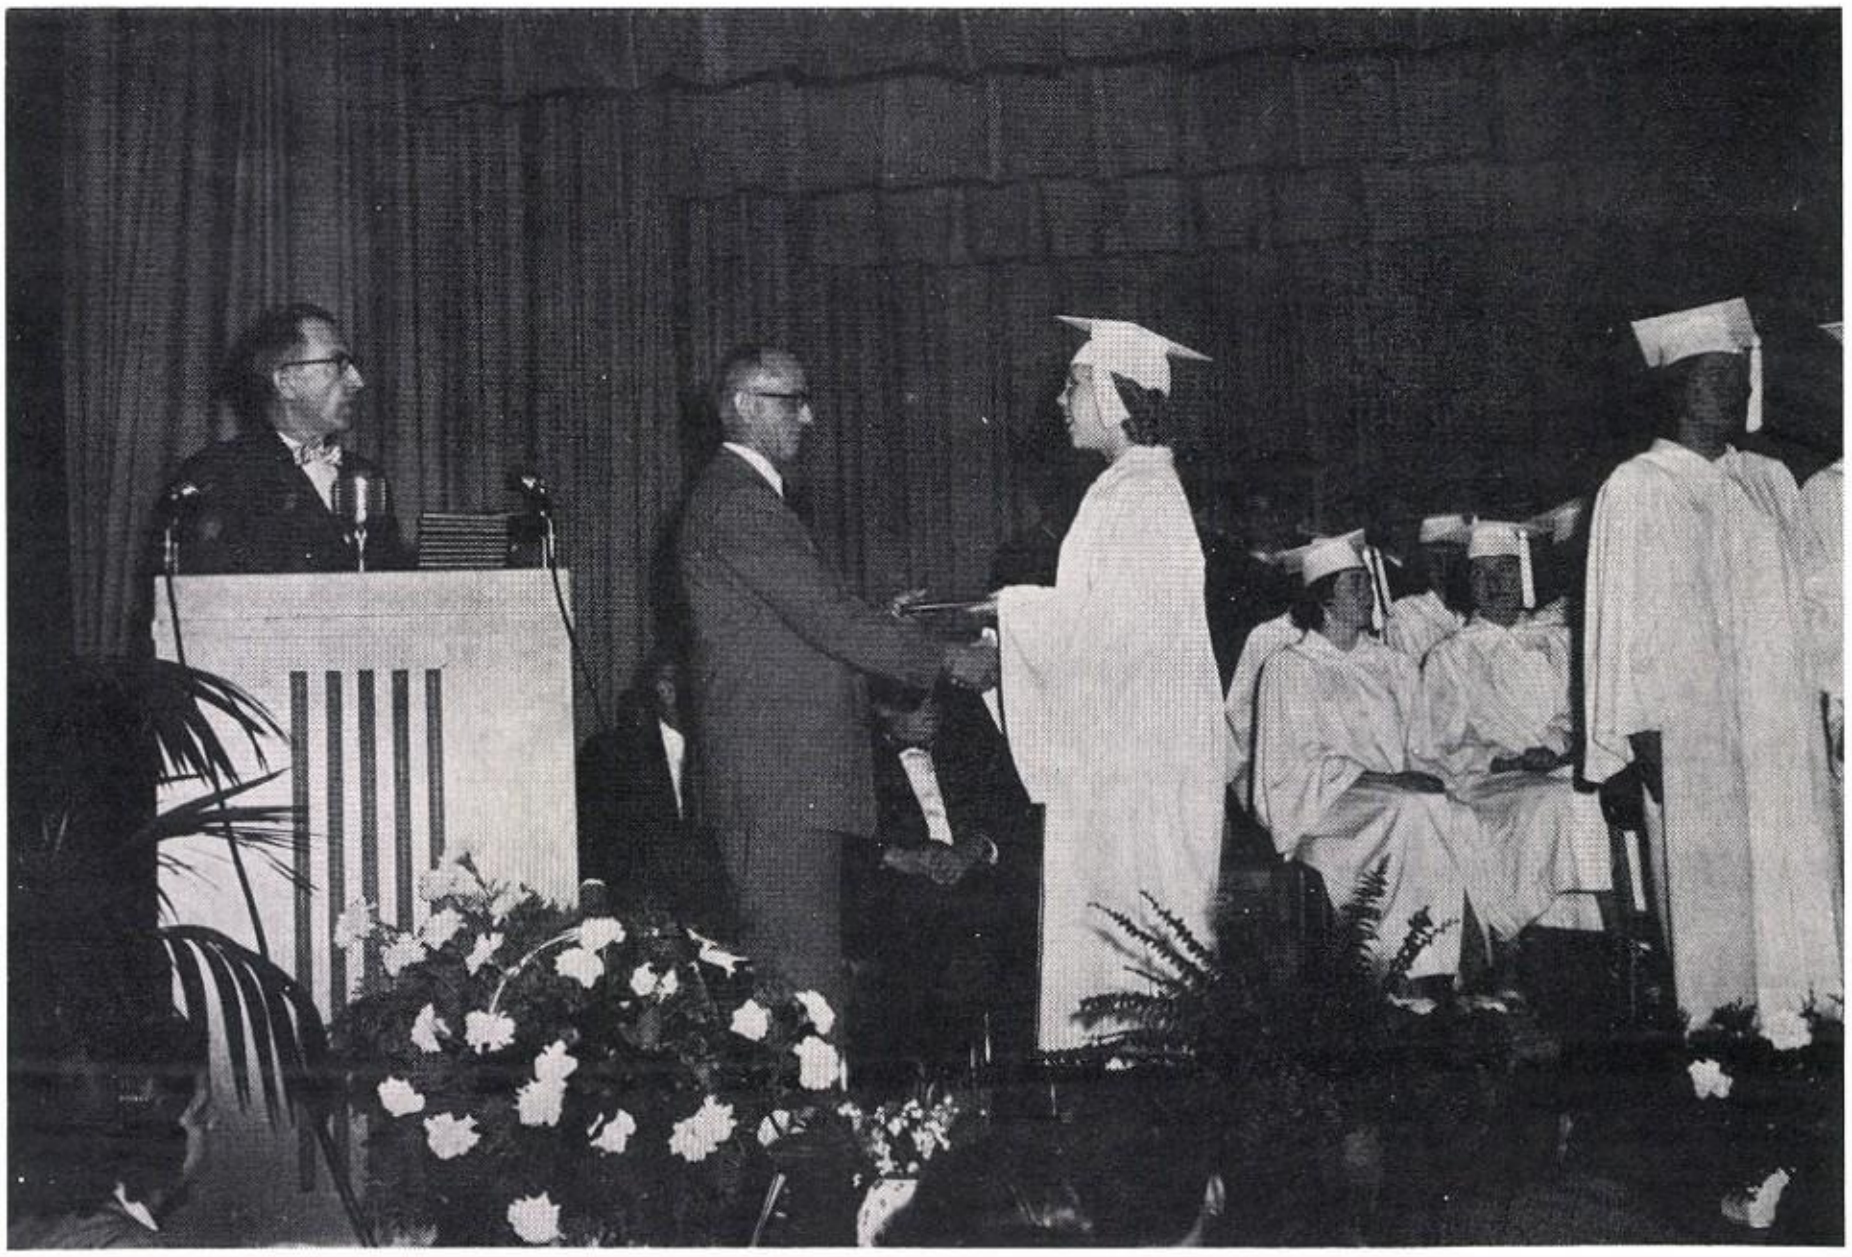
On May 23, 1956, ninety eight seniors were graduated from Howland High School. Pictured here are many of their friends and relatives who came to witness the event.

It was a time for tears and a time for joy for the students who had successfully completed twelve years of school. The coming years will bring college, jobs, and marriage; many of them will serve in the armed forces.

Whatever their task, we wish them the very best of luck and God's blessings.



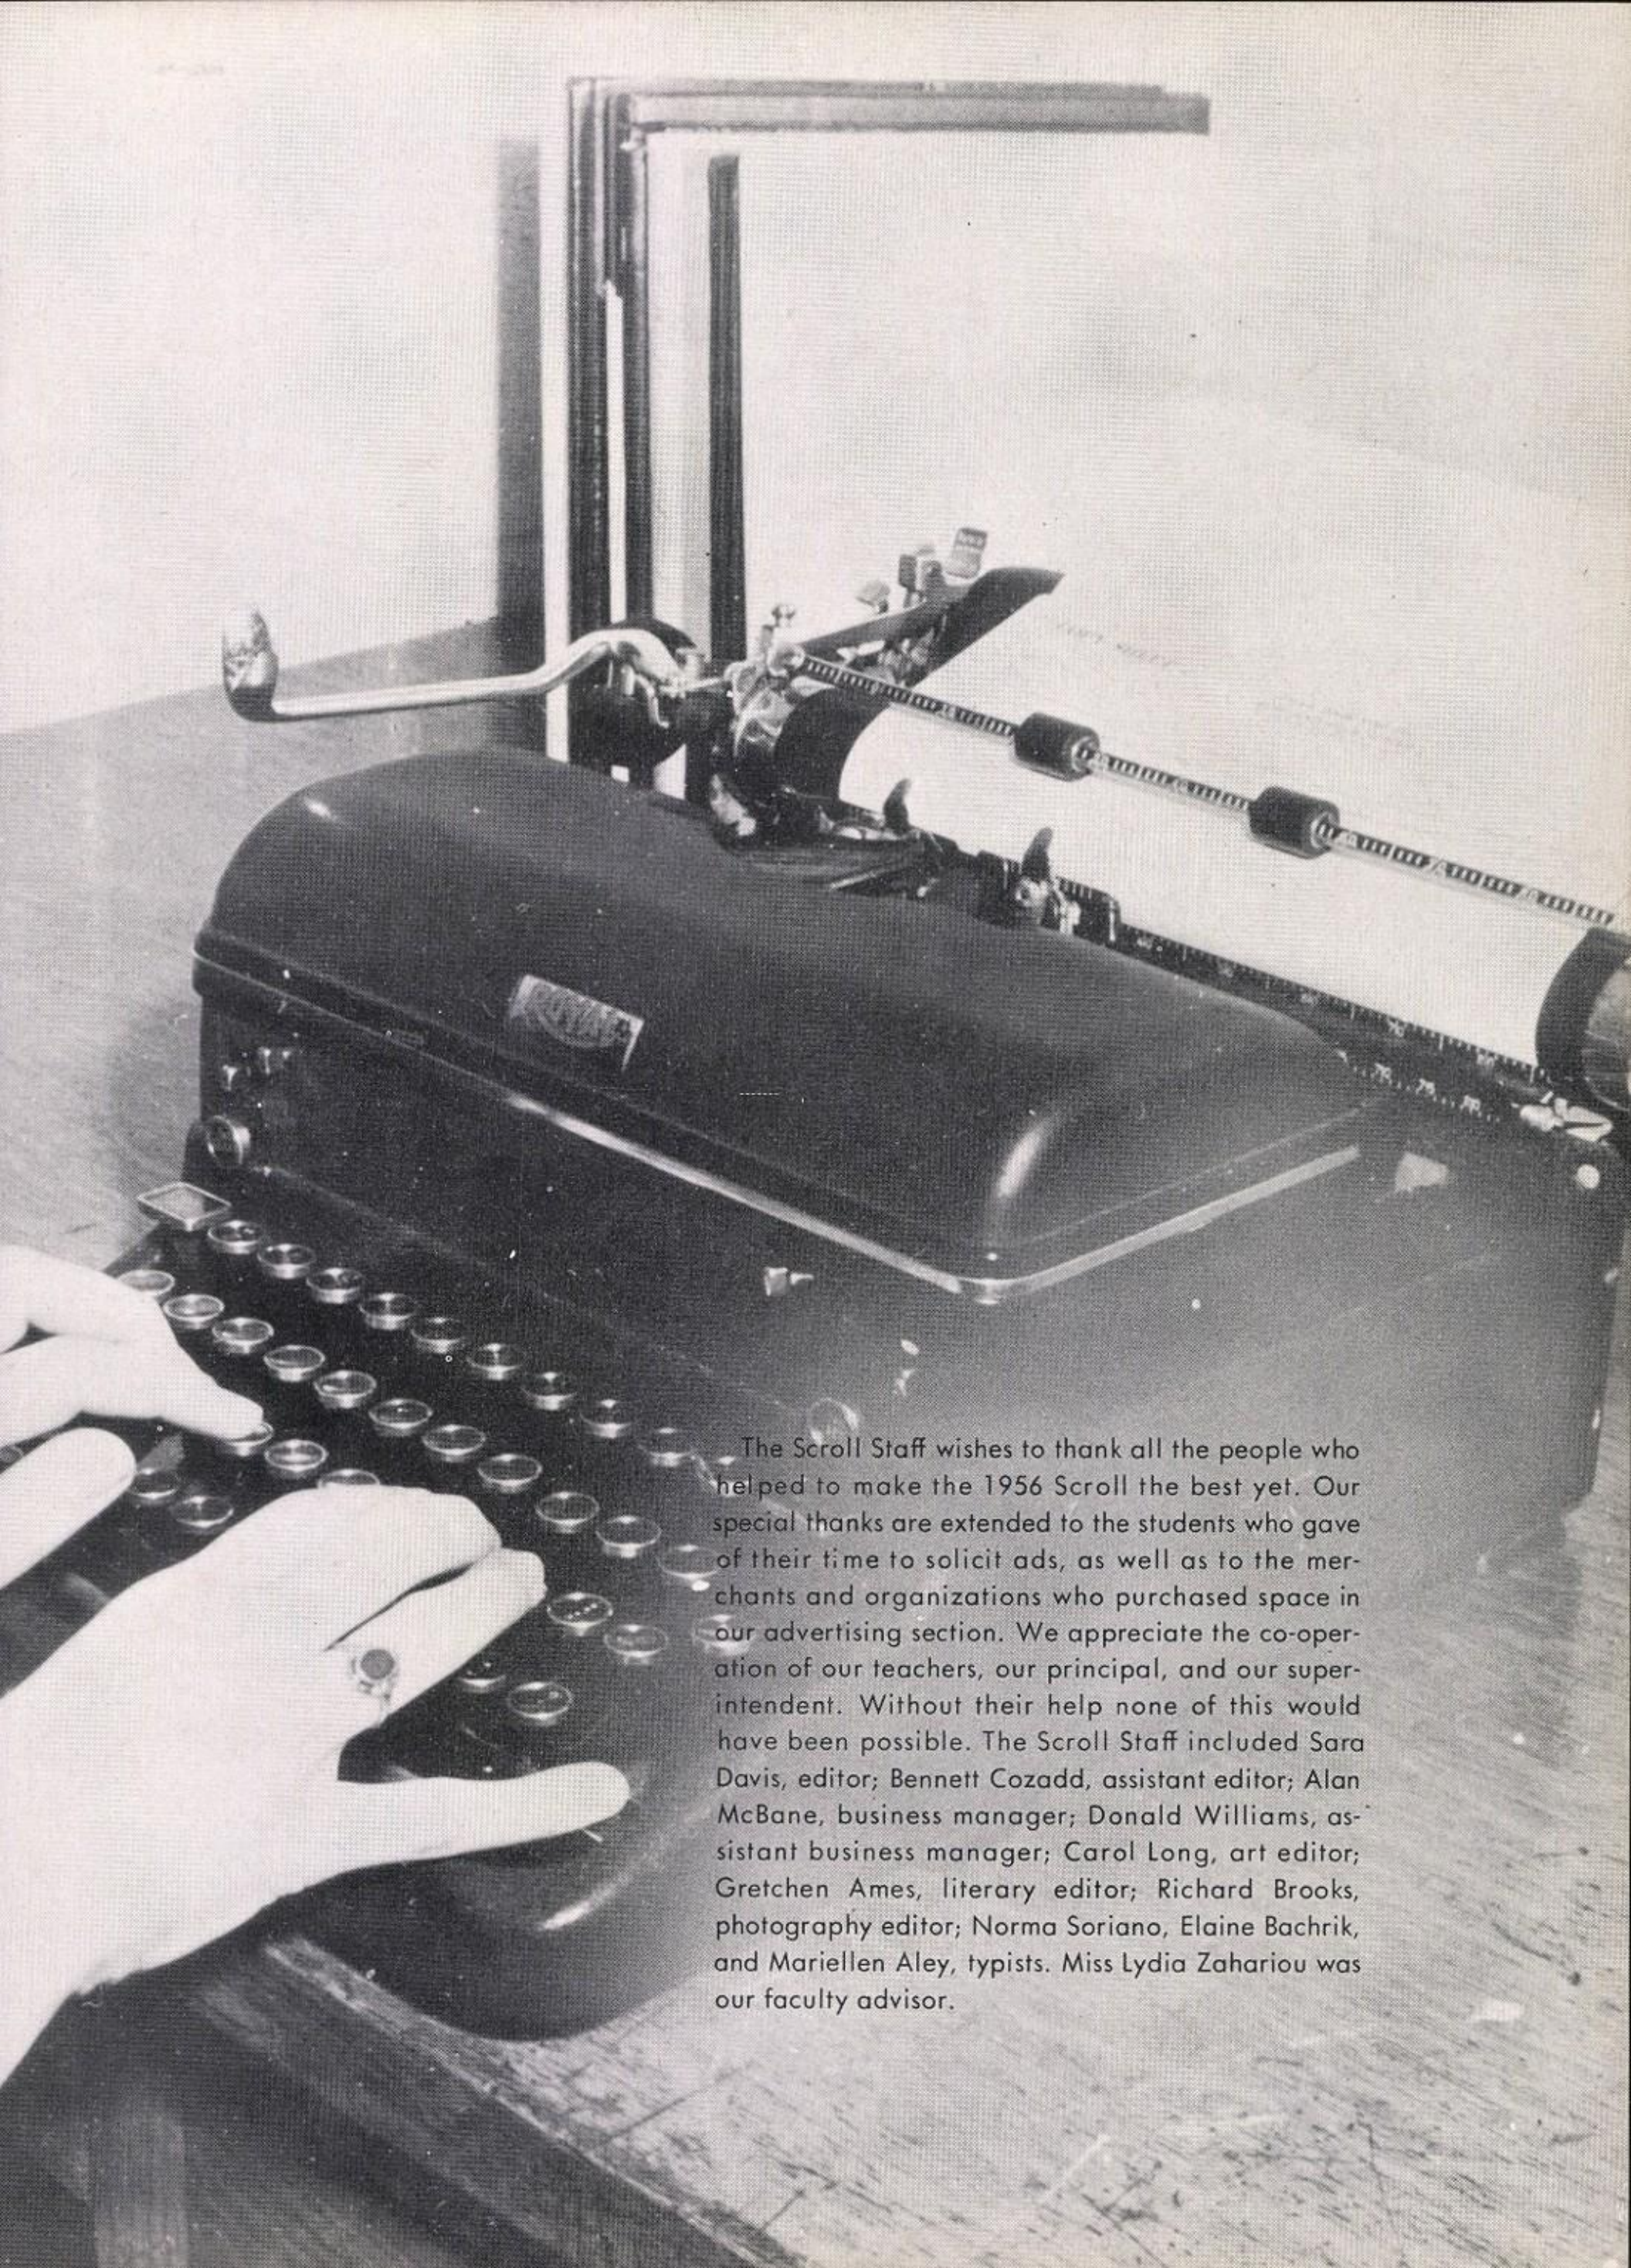
Honor orations for the 1956 Commencement Program were given by Donald Williams and Norma Fairbanks, who were elected to the task by their fellow classmates. Don spoke on Opportunities; Norma chose Challenges as the topic of her speech.



Mr. Fred Shafer, president of the Board of Education, presents diplomas to the graduating students.

The Triple Trio gives its rendition of "The Halls of Howland." This year the group consisted of eight seniors and one sophomore. They were directed by Mrs. Polley and have sung at many school programs.

After the commencement ceremony, refreshments were served in the cafeteria to the graduates and their families.



The Scroll Staff wishes to thank all the people who helped to make the 1956 Scroll the best yet. Our special thanks are extended to the students who gave of their time to solicit ads, as well as to the merchants and organizations who purchased space in our advertising section. We appreciate the co-operation of our teachers, our principal, and our superintendent. Without their help none of this would have been possible. The Scroll Staff included Sara Davis, editor; Bennett Cozadd, assistant editor; Alan McBane, business manager; Donald Williams, assistant business manager; Carol Long, art editor; Gretchen Ames, literary editor; Richard Brooks, photography editor; Norma Soriano, Elaine Bachrik, and Mariellen Aley, typists. Miss Lydia Zahariou was our faculty advisor.

Prize winners of costume contest at Halloween Dance.

Cheers throughout the world —stunt given at pep rally by junior and senior boys.

Pupils ot the third grade paid tribute to their teacher, Mrs. Alice Elston, at a party in their classroom. Mrs. Elston retired, ending a 41-year teaching career.

Our artist at work—Lucinda Hanna puts finishing touches on the scenery for the Home Economics Fashion Show.

Sara Davis accepts the P.T.A. Scholarship from Mr. Melvin Hetzler.

Alan McBane receives his certificates from Mrs. Humason after placing first in the state of Ohio in the Senior Social Studies Scholarship Test.

ATHLETICS

Dick Lab, Don Howells, Mr. Prokop, John Wood, Ronnie Hroncheck, James Martino.

The Golf Team, coached this season by Mr. Prokop, entered the TIA Golf League for the first time since its organization several years ago. A record of 13 wins out of 16 games placed the Howland Golf Team third in the League. Don Howells won the TIA Golf League Medalist Championship as well. His average for 16 matches was 80. The team also entered the Northeastern Ohio District Tournament, and placed seventh in the 24 competing teams. Thank you, Mr. Prokop and team, for adding another fine mark to Howland's sports history.

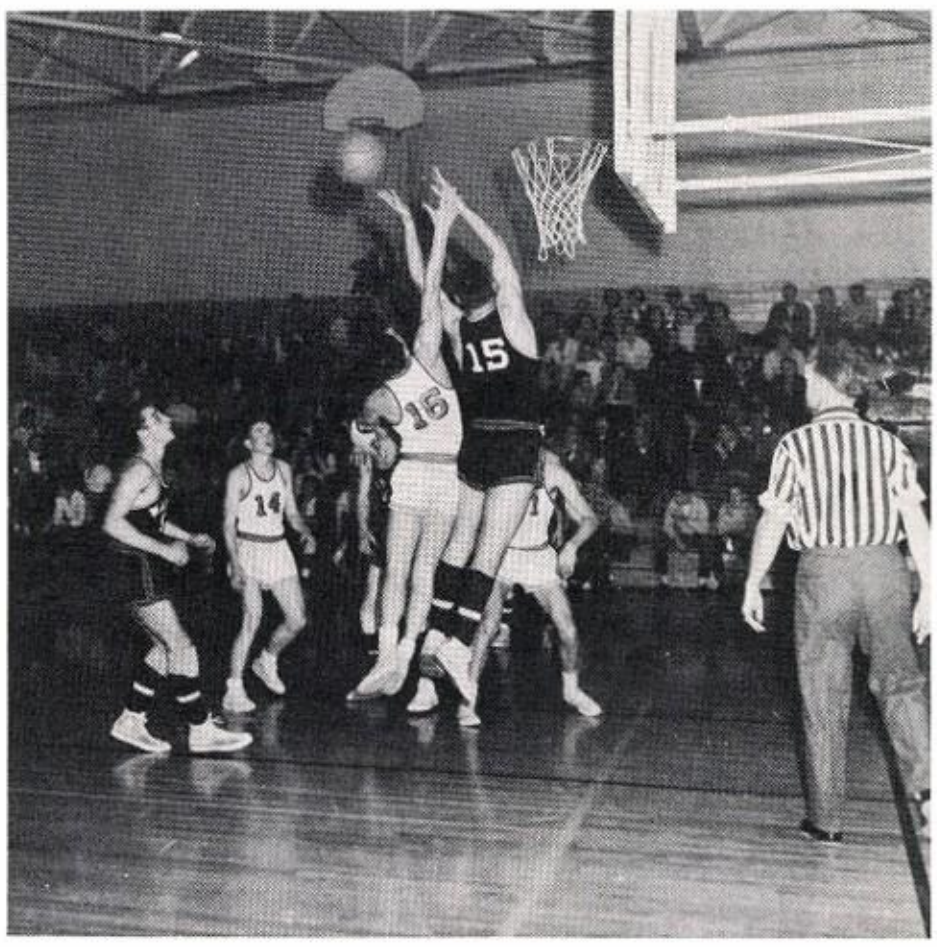
BASKETBALL

Coach Godward

The Varsity Basketball Squad under the able direction of Coach Godward showed the spirit of true sportsmanship this year. Although their record was not what they had hoped, they never lacked a will to win or a fighting spirit.



A big moment during the exciting game with Warren G. Harding.

Beat 'em Tigers

Reserve Cheerleaders are Joan Ratliff, Dorothy Hray, and Ramona Campana.

Ninth Grade Cheerleaders are Marilyn Rock, Pat Love, Eileen Ames, and Rosemary Campana.

F-I-G-H-T Fight Fight
Yah team fight!

Seventh and Eighth Grade Cheerleaders are Gloria Lewis, Nancy Barrett, Carol Stuber, Jeanine Husher, Bobby Spirko, and Sandy Patterson.

CHEERLEADERS

Donna Husher, Norma Fairbanks Arlene Cwynar. Kneeling—Diane Timko.

Hey! Hey! All you Tigers!
Say all you Tigers!
Let's have a victory tonight
Fight!!!!

Fight they have done. These four girls who cheer for the varsity basketball team have the responsibility of keeping the cheers of the crowd loud and the moral of the team high. When we were winning, their cheers boasted pride in our team. When we were losing, their cheers meant encouragement to the team. We feel that our cheerleaders have done their work well in the true spirit of sportsmanship.

WRESTLING TEAM

Visitors passing the gymnasium this year were surprised to hear grunts and groans, for the wrestling team is a newcomer to the field of sports available to Howland boys. Their capable coach is Mr. Irwin. We know that wrestling will grow in the interest and enthusiasm of the sports fans and will become permanent in Howland.

STANDING—Mr. Irwin, Ted Hutchinson, Don Lott, Jim Gibson, Myron Daum, Ben Cozadd, Dick Ramsey, Jack Tucker, Dick Pitzer. **KNEELING**—Dave Smith, Fred David, Larry Shvelnis, Dan Martini, Mike Kovach. Demonstrating a wrestling hold are Norman Goodwin and Jerry Dean.

FLAGTWIRLERS

This group of girls is chosen by Miss Williams to perform at school events. They practice during their gym period under her watchful eye. They have performed at basketball games and in parades.

The Flagtwirlers have done much to increase interest in the girls' physical education program.

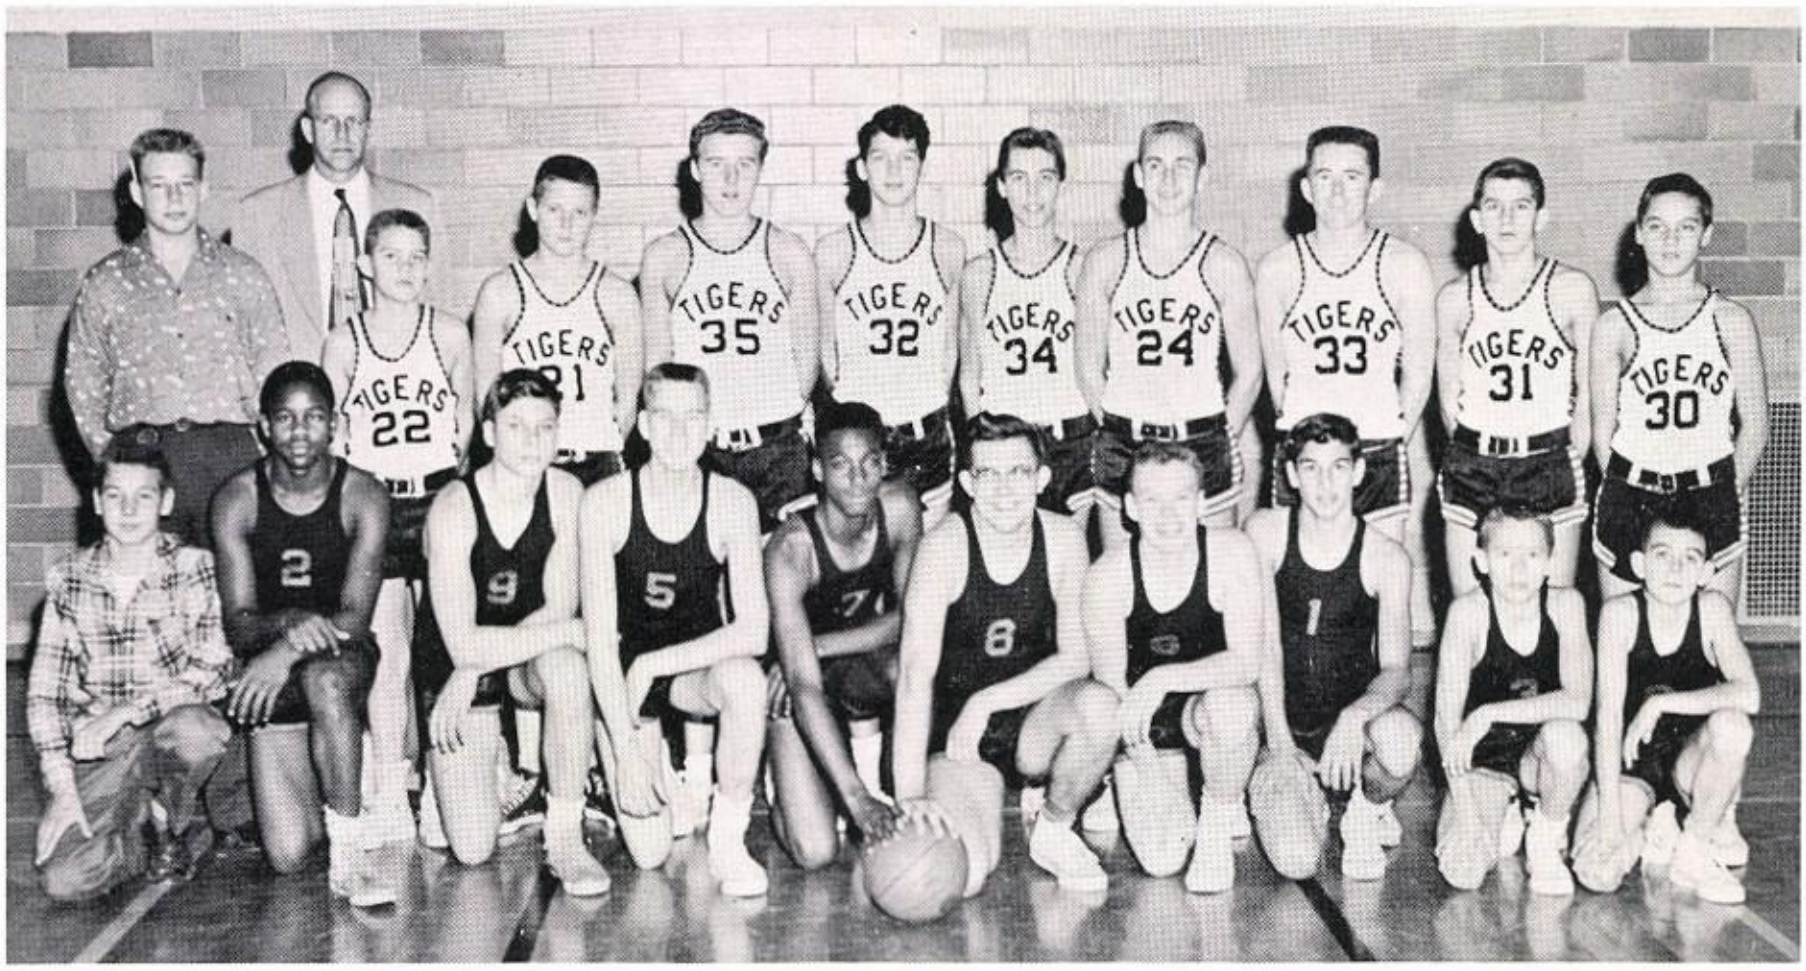
Susan Lerch, Nancy Phillips, Karen Harris, Carol Lance, Connie Miller.

STANDING—Diane Timko, Patricia Loveless, Barbara Roush, Judy Dorig, Karen Hermison.
KNEELING—Diane Crawford.

These girls are really the "leaders of the band." Whether marching or performing in the gymnasium, their twirling is always tops! They are trained by Miss Williams for their special performance in the Christmas Festival and have always been excellent, for who can resist a marching beat and the flash of white boots.

MAJORETTES

RESERVE BASKETBALL. **FIRST ROW**—Bob McClead, Bob Abruzzi, Don Pack, Dick Lab, Vic Kapcsos. **SECOND ROW**—Chuck Stein, Allan Flint. Ronnie Crawford, Don Howells, Keith Johnson, David Stein. Managers—Norman Goodwin, Dick Ramsey. Coach—Mr. Prokop.



8th and 9th GRADE BASKETBALL. **FIRST ROW**—George Mickelson, George Freeman, James Nickam, Eric Timko, Reynolds Blackburn, Jim Holinbaugh, Gerald Day, Dick Abruzzi, Jack Wolcott, David Wise. **SECOND ROW**—Tom Evans, Jerry Wise, Ricky Crawford, Gene Kuzmaul, Wally Mackey, John LaVoo, Phil Cozadd, Duane Best, Bill Clark, Bob Razum. Coach—Mr. Wilms.

Above urgent appeal for technical personnel, taken from a recent full page advertisement for technical "know how" for just one of the thousands of similar plants, exemplifies the desperate need for engineers, scientists, technicians, etc., and how it really pays off to students willing to pay enough attention to math, chemistry, etc. instead of following line of least resistance by developing "personality." The Reds are grinding out three times the number of technicians that we are—they are determined to gain world leadership in industrial production. Howland must meet the challenge.

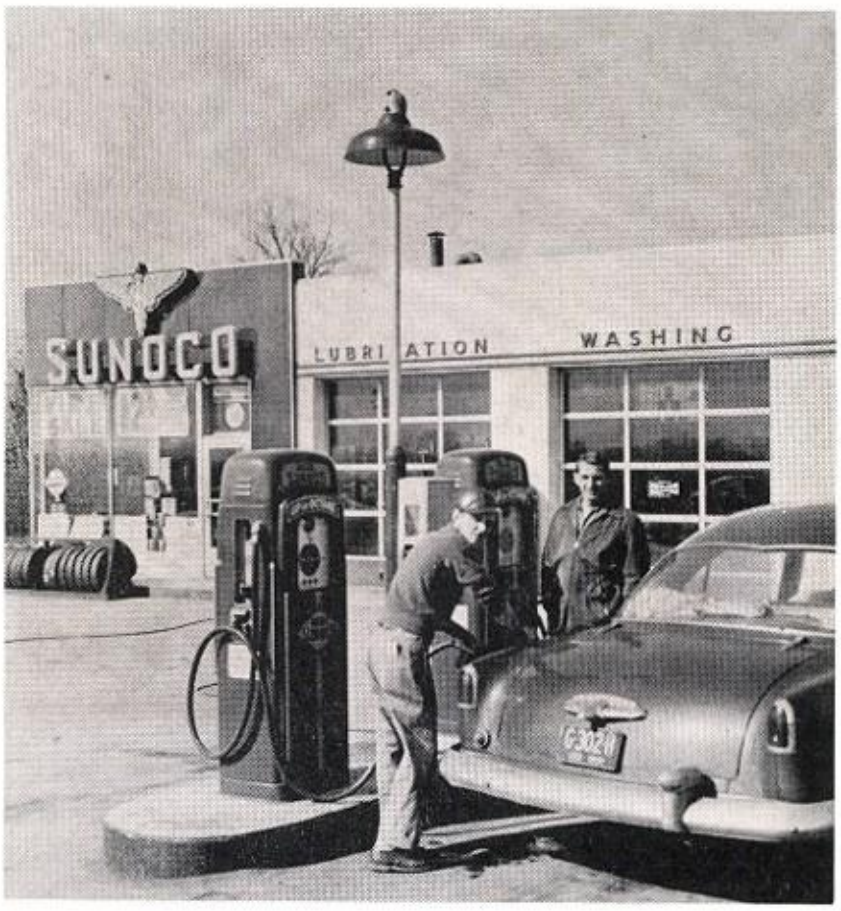
With confidence and satisfaction, Denny Ambrose receives his newly cleaned suit from Ido Valsi. FORD CLEANERS is famous throughout the area for one-hour service.

A real example of the modern trend in living is the HOWLAND MOBILE HOME PARK, located ½ mile east of HOWLAND CORNERS. This neat, well-supervised park truly lives up to its motto: "Trailer Living at its Very Best," thanks to its proprietor, Louis Dillon.

Leanne Daylida is busily making our photographer a chocolate milkshake. As an employee of PACK'S DAIRY, she gives every customer individual service cheerfully and conscientiously.



BILL'S SUNOCO STATION, located at Eckerts' Corners, has a quick and well-trained staff which assures you of the finest care possible for your car.

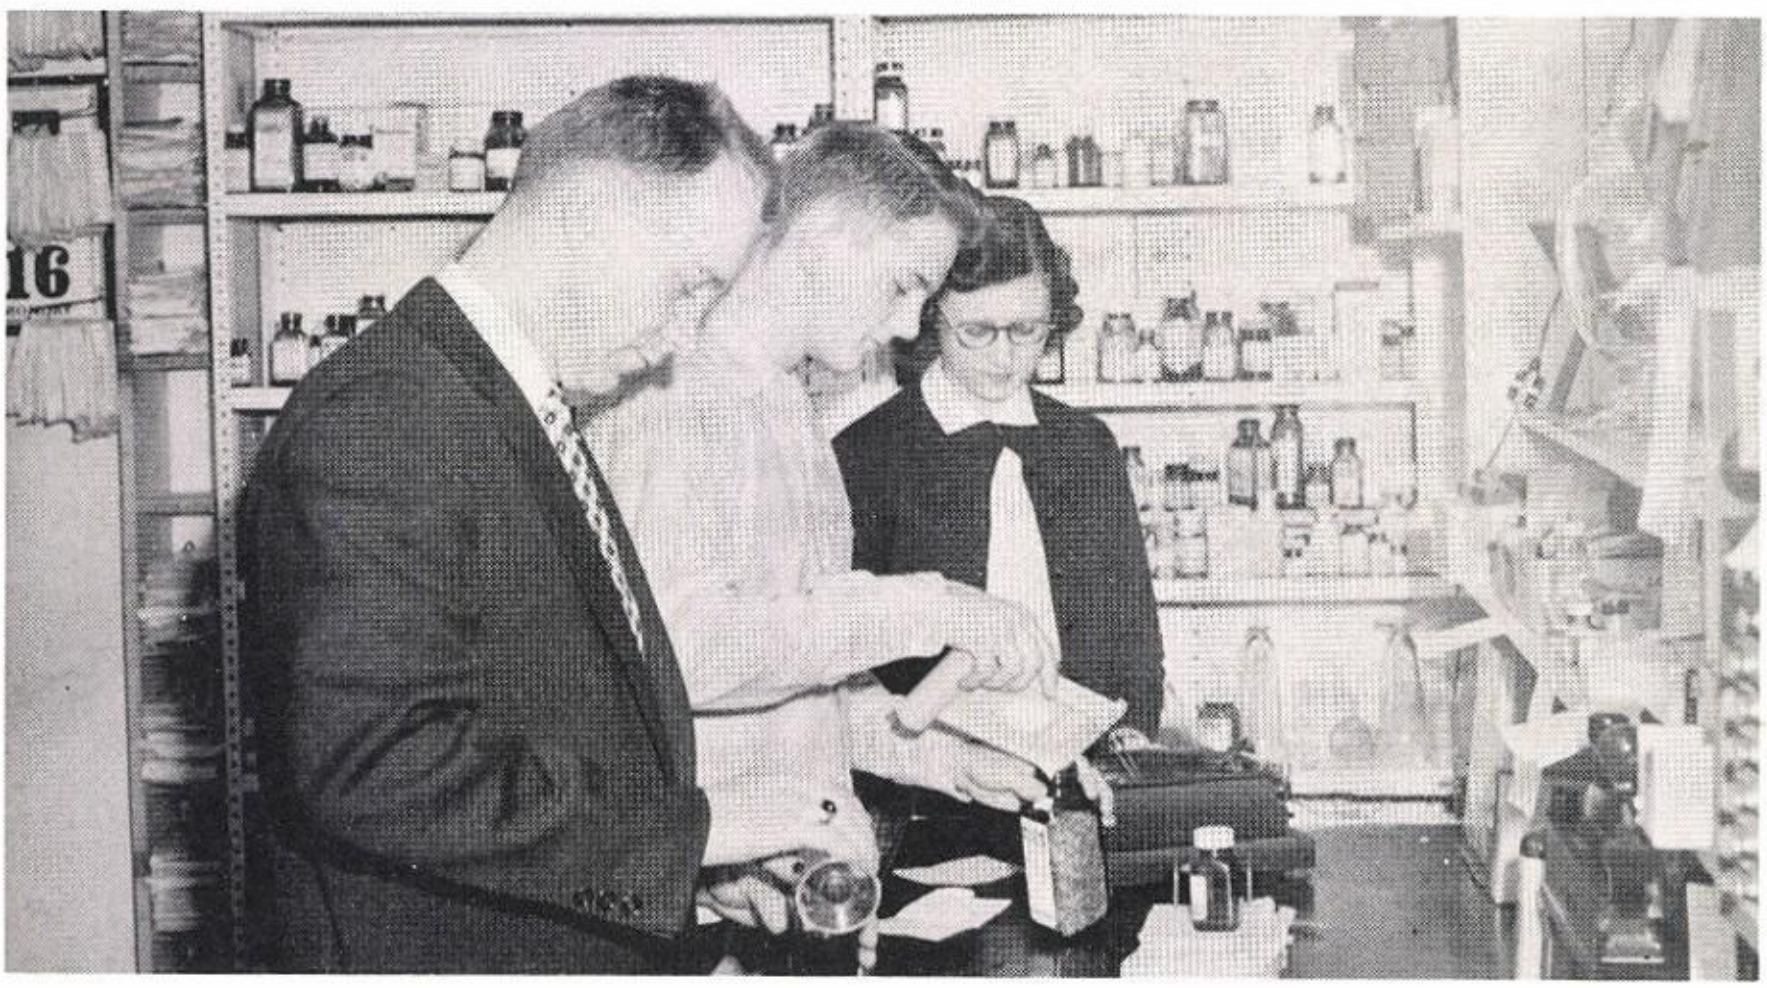
Folks in and around Howland Corners know that the place to get friendly service and the best products is at TINKHAM'S MARKET. Vernon Perry and Judy Tinkham are busily doing their best to make your shopping easier and more convenient.

Paul Monroe's and Norma Soraino's happy faces are perfect examples of the fun that everyone has at the HI-WAY ARENA, Howland's recreation spot. The Hi-Way is centrally located on Route 422 and is certainly the place to go for a truly enjoyable evening.

Spring water is delivered to you cool and fresh by the HOWLAND SPRINGS WATER COMPANY. Jim Dillon prepares for another delivery about to be rushed to the doors of satisfied customers.

For music instruction in its finest form and the purchase of accordions, pianos, brass, reed, and string instruments, and Hammond organs, more and more people are discovering the opportunities offered at BERTELLI'S MUSIC STUDIO AND SALES. Here Mr. Bertelli and his daughter Bruna teach in a manner which promotes good student-teacher relationships. Pictured with Bruna are Donald willia. .s and Sara Davis, student piano and accordian teachers.

ANDREWS' SHOPPING CENTER is located at the intersection of routes 46 and 82 at Howland Corners. One trip to ANDREWS' answers every need.



R. J. Marti, proprietor of the HOWLAND PHARMACY specializes in filling prescriptions. His helpful employees are Sandra Zackeroff and Ted Hutchison. The PHARMACY provides residents of the Howland area with school supplies, toys, greeting cards, and smokers' needs, as well as patent medicines and sick room supplies.

"True hot rodding is fun and safe" is the motto of the HOWLAND ROAD HOUNDS. The club is sponsored by the Mackey Carpet Company of Warren, and follows the program outlined by the National Hot Rod Association. Officers of the club are kneeling, left to right: Tony Nicholas, Secretary; Jess Fuller, Vice-President; Bob Pitzer, President; Dick Pitzer, Sergeant-At-Arms. The members are standing, left to right: Bill Allsopp, Tom Lavelle, Jim Martino, Mike Daum, Tom Hauser, Ken Swager, Don Lott, Mackey Rogers, Vernon Perry, Jim Wickham, John Odvar, Mark Urbania, Louie Humphrey, John Klovanich.

Located at the corners, HOWLAND SUPER MARKET serves as a convenient and friendly place to buy your groceries, fresh meat, and produce. Here Mr. and Mrs. Maurice Atkins, two of the many regular patrons, receive courteous service from Richard Brooks and Joan Miller.

Ohio's outstanding advance in transportation was the opening of the Ohio Turnpike on September 30, 1955. The turnpike combines major architectural and engineering feats with the scenic beauty of Ohio.

As the turnpike has advanced from the planning board to reality, so must we advance from the years of preparation and guidance by our parents and teachers to our own place in society.
